Altitude Point
Aldgate
E1
Altitude Point is a Barrett built development which was one of the first towers to be built in the ever changing and popular area of Aldgate.

The apartment has some character due to the curvature of the building and is beautifully presented. The apartment has a good feeling of space and comprises a double bedroom, open plan kitchen reception with direct access to a decked balcony. The bathroom is of a good size and has a contemporary feel and there is also a large and useful storage cupboard.

Residents have use of a spacious communal roof terrace and the apartment has Sonos fitted as an upgrade which sets it apart from many others in the block.
Location
Altitude Point is conveniently located on Alie Street with an abundance of places to eat, drink and shop on your doorstep.
The apartment is also within close proximity to London’s financial district and social and entertainment hubs of Shoreditch, Brick Lane and Old Street.
Aldgate East station is located 0.1 miles away, and Aldgate underground station within 0.4 miles, Liverpool Street station is also within easy reach offering a multitude of transport options on the Metropolitan, Hammersmith & City, Circle, District, and Central lines.
All times and distances are approximate.
