Gardens and grounds

Little Fishery House is set in a wonderfully private location on Chantry Road. The house is set back from the road and approached via two sets of electric double gates. The block paved driveway flanked by formal lawns and herbaceous borders lead to the car port, garaging and parking area to the front of the property.

The meticulously maintained rear gardens are a particular feature of the property and create an idyllic setting. A raised sun terrace across the rear of the property provides a superb entertaining and dining area and may be reached from the principal ground floor rooms. An extensive 84ft private mooring with the fabulous Slipper Stern Launch built in 2000 by <https://www.peterfreebody.com/> completes the grounds and gardens. Please note the Slipper Stern Launch is not included in the sale.
