“It is not the strongest species that survive, nor the most intelligent, but the ones most responsive to change.”

CHARLES DARWIN

A new space in Bath

DESIGNED TO WORK FOR YOU

Prominently positioned on the riverfront No1 Bath Quays is part of a 4.5 acre regeneration project. Bath Quays provides the city with a new space for business, life and culture.

A blend of historic buildings with contemporary architecture. The wider development offers circa 300,000 sq ft (north and south quays) of office accommodation, alongside 150 apartments, ground floor retail and leisure facilities.

The Bath Quays site benefits from a new foot bridge across the river, linking into the city. Only 5 minutes walk from the station and the shopping centre.

Neighbouring No1 Bath Quays to the south is Newark Works, offering serviced office suites and co-working opportunities.
