The Property

Situated on the prestigious Caledonia Place, dating back to 1841, this distinguished Grade II* listed townhouse presents an exceptional opportunity for full restoration. Currently arranged as a six-bedroom main residence with an additional two-bedroom basement flat and cellar, the property is available with vacant possession and is ideal for those looking to create a grand family home or explore investment potential.

The home benefits from exceptional proportions and showcases plenty of original features: high ceilings with intricate ceiling cornices; large sash windows, some with stained glass detailing and original shutters; ornate marble fireplaces in two of the reception rooms.

The ground floor hosts: a formal sitting room, with two full size sash windows looking out to St Vincents Garden; a bedroom and ensuite overlooking the rear garden; a versatile room, used as a study, with access to the rear garden.

The first floor hosts the drawing and with-drawing room/ kitchen which occupy the full first floor with full height sash windows to the front and 3.5-metre ceilings. These rooms are linked with recessed tri-fold doors. A full width canopied balcony is accessed from the Drawing Room and provides a brilliant view of St Vincents garden.

Three of the bedrooms are located on the second floor, serviced by a shower room on the half level. The two bedrooms along the front of the home boast views looking out to the Clifton Suspension Bridge.
