Property Description

This unique apartment has been finished to exacting standards to include a high-quality integrated kitchen, quartz stone worktop and branded appliances. The apartment also benefits from two generous bathrooms with high pressure rain head showers and beautiful herringbone laid honey oak effect flooring throughout the living space and bathrooms, with soft grey carpets to the bedrooms.

Future proofed for generations to come these exceptional properties further benefit from an integral MVHR fresh air flow system, brand-new double-glazed timber sash windows and 'smart' heating, allowing the resident to actively control their heating requirements from anywhere. Hyperoptic Broadband is hardwired to each apartment allowing unparalleled internet connectivity of up to 500mb.

Individually formatted to suit all requirements, these homes provide a symbiotic combination of elegant British architecture and modern convenience, in the centre of one of the most beautiful cities in the world.
