## Bucklers Hard

In the 18th century Bucklers Hard was an important ship building village and sits on the western bank of the Beaulieu River, a couple of miles south of Beaulieu village. Bucklers Hard has been in the private ownership of the Montagu family since it was founded in 1724 and is a mere half a mile from the house.

There are many moorings along the river and the marina has 110 deep-water berths. Within Bucklers Hard there is a hotel, restaurant and bar. The nearby village of Beaulieu provides a range of facilities including a general store, post office, newsagent, cafés, garden centre, hotel and Michelin starred restaurant. The Beaulieu River Sailing Club offers opportunities for sailing enthusiasts, as well as the Royal Southampton Yacht Club in St Leonards. The Solent beach is approximately 1 mile from Clobb Gorse.

The nearby Georgian market town of Lymington offers a wider range of boutique shops, supermarkets, restaurants and gastro pubs, as well as two private marinas and the Royal Lymington Yacht Club. The luxury Lime Wood Boutique Country House Hotel, famous for its spa and restaurant is 9 miles away. Its sister 'restaurant with rooms', The Pig, is just 7.5 miles with the award winning Relais & Chateaux Chewton Glen within 16 miles.

The New Forest, with 145 square miles of National Park heathland and woodland, offers not only outstanding natural beauty and wildlife, but also extensive walking, cycling and horse riding. There are a number of good schools in the area, including Hordle Walhampton, Durlston Court and King Edward's in Southampton. Also Canford and Bryanston are within an hours drive.

Clobb Gorse enjoys good communications, with the M3 to the north providing fast access to London and the A31/ M27 making both Portsmouth and Bournemouth easily accessible. In addition, there is a fast train service which runs from Brockenhurst to London Waterloo taking about 98 minutes, Southampton Airport is within 20 miles, with a direct train service to London Waterloo (from 69 minutes) and Bournemouth Airport is 32 miles.

## Clobb Gorse

Clobb Gorse was built in 1927 and between 1941 and 1942, within the Beaulieu Estate was one of 11 houses requisitioned for the training of secret agents of Britain's Special Operations Executive (SOE). They were often referred to as "finishing schools".

Today Clobb Gorse offers beautifully presented extensive accommodation over two stories, amounting to approximately 6,728 square foot. The majority of the rooms are all south facing overlooking the wonderful landscape gardens with pastureland beyond. The property certainly lends itself to either cosy family living or entertaining. Beyond the five reception rooms is a generous kitchen/ breakfast room with a boot room and utility room off. Beyond this area is a study and a ground floor guest bedroom with an adjoining bathroom.

Over the first floor all five double bedrooms enjoy south facing views and all have access to their own bathrooms or shower rooms. Above the guest bedroom, bathroom and study on the ground floor is a first floor flat/ annexe comprising of an open plan kitchen/ reception room, double bedroom and adjoining shower room. This annexe is self-contained and benefits from its own access to the eastern part of the property.
