## BUCKINGHAMSHIRE

The Manor House sits in a magnificent private parkland garden setting, surrounded by mature trees close to the delightful village of Lillingstone Lovell, described by Pevsner as “a handsome group”. Despite the wonderful rural location and privacy, the house is in easy reach of Buckingham (6 miles) and Milton Keynes which provide an extensive range of shopping and recreational facilities.

Communications are excellent with both the M40 (J10 - 20 miles) and M1 (J15- 15 miles) giving fast access to Birmingham via J14 Northampton, London and the national motorway network. Milton Keynes Station (11 miles) offers a fast and regular commuter service to London Euston taking approximately 35 minutes and is also on the main West Coast line providing services to the North and West of the country. London Luton Airport with increasing domestic and international services is 37 miles away. In addition, London Oxford Airport has a growing flight service to Europe and further afield.

Sporting opportunities in the area include golf at Whittlebury Park, Stowe, Silverstone and Buckingham; motor racing at Silverstone, riding or competing at Addington Manor and Aston-le-Walland, numerous opportunities for walking and riding in the beautiful surrounding countryside.

Nearby Stowe and Rugby Schools offer private education to girls and boys from the age of 13 alongside a number of other private and state schools in the area, including Swanbourne, Beachborough, Winchester House and Tudor Hall.

## THE MANOR HOUSE

The Manor House is constructed of locally quarried cut stone under a hipped slate roof and sits in wonderful parkland gardens. The house is laid out with well-proportioned reception rooms, all benefiting from being south facing overlooking the impressive lawn. The north of the house contains the traditional domestic offices, including Butlers Pantry, and another family room. On the first floor there is an excellent range of bedroom suites, including the principal suite and five further guest suites.

The house is entered into a hall extending the length of the house, off which are situated the main reception rooms. These include a library, dining room, drawing room and entertainment room, which all look south and west over the gardens. These rooms have many features including wooden floors, open fireplaces, panelling and cornicing. On the south-eastern side of the house is a large kitchen/breakfast room with a conservatory adjoining. Overlooking the yard is a family room, whilst adjacent to the door to the hall is a self-contained staff annex with two bedrooms.

The first-floor accommodation provides for a principal bedroom suite, with its own dressing room and study close by. There are five further bedroom suites, two with dressing rooms. The second floor provides attic rooms.
