Carisbrooke Manor

Built in 2001, Carisbrook Manor sits amongst the previous grounds of Wykehurst Park, benefitting from a long driveway and walled gardens. From the east, Carisbrook Manor can be accessed via a long driveway across the forest and farmland tied to the property. From the west, a shorter private driveway provides quick access from the nearby road.

Carisbrook Manor is entered through the central reception hall, with a galleried landing overlooking the entrance. Grand doors lead through to the music and drawing rooms, boasting grand ceilings and vast natural light. To the left of the entrance, the main sitting room features a outstanding fireplace, paired with hardwood flooring. The ground floor also comprises a functional kitchen and breakfast room, with an attached morning room. The utility room and downstairs bathroom add to the practicality of the ground floor. An adjoining room boasts a large indoor swimming pool and jacuzzi, with self-contained changing rooms and bathrooms.

The first floor is displayed across a large galleried landing, with the principle bedroom offering an en-suite, dressing room, conservatory and private balcony. Four further bedrooms with en-suite bathrooms are spread across the first floor and a further balcony attaching to one of the bedrooms.

The second floor features a vast study and reading room, next to a further bedroom, sharing a connected bathroom. Another bedroom and bathroom is featured from the main sitting room, drawing together the top floor of the house.

The triple garage is set to the right of the main entrance, boasting plenty of space. An additional studio flat on the first floor, with a living room, kitchenette, bedroom and bathroom adds to the practicality of the property.
