Situation

Blue House Farm occupies a delightful position surrounded by its own farmland on the edge of the popular and convenient village of Mattingley. Within the village there is a church, public house and the Pumpkin Patch Day Nursery.

More facilities can be found in the nearby picturesque village of Hartley Wintney, as well as Hook where there is a Tesco Supermarket.

More extensive and comprehensive range of educational, recreational and shopping facilities are available in the nearby towns of Reading and Basingstoke. There are a number of excellent private schools in the area which include Daneshill, The Grey House, St Neot's, Lord Wandsworth College and Wellington College. There is a state school, Whitewalter Primary School, in the nearby village of Rotherwick.

Communications are first class. The M3 and M4 motorways are a short distance away running to London, the national motorway network and Heathrow and Gatwick Airports. There are also mainline stations at Hook, Winchfield and Basingstoke which provide a fast and regular service to London Waterloo.

The surrounding countryside has numerous public footpaths and bridleways.

Quality and Craftmanship

Informed throughout by classical Georgian references, Blue House Farm sympathetically weaves into its fabric both traditional and modern materials, coupled with time – honoured craftmanship, enhancing the charm and grandeur of this country house.

Externally, the clay plain tiles, blend with the warm hues of the red brick detailing, laid in a traditional Flemish bond. The wooden box-frame sliding sash windows are made by local joiners and hand painted. A broad hand-made stone portico frames the entrance, creating an impressive formal transition into the well-proportioned interior.

Internally, the Georgian proportions quickly become evident; high ceilings amplify the natural light and display the elegant detail of the plaster corning in the reception rooms. Further respecting the period references, bespoke skirting, architraves, and door linings complete the interior architectural detailing.

Impeccable attention to detail sets this home apart, with the finest natural stone and wood flooring, detailed fireplace surrounds, traditionally crafted joinery and luxurious bathroom and kitchen fixtures and fittings from suppliers such as Lefroy Brooks and Porter Bathrooms.

The house features underfloor heating, prewiring for selected audio-visual systems as well as home security and CCTV systems.

Sustainability

Sherbourne Developments is a responsible developer, committed to environmental issues. We are committed to creating developments which are both high-quality and environmentally friendly places to live. We aim to minimise our impact on the environment and maximise the implementation of sustainable initiatives wherever possible.

Our health, safety and energy goals all share the same aim of protecting the environment. Our properties are created with our client's wellbeing in mind, whether it is as simple as ensuring their new house offers the highest standards in technology, such as using solar panels. We also ensure our developments support and benefit biodiversity and the local wildlife – ecological strategies include using bat and bird boxes to encourage wildlife, as well as allowing for wildflowers to grow and retaining mature trees.

We are also proud to regenerate and restore many brownfield sites that have fallen into disuse, which in turn helps to improve the local area and the environment.
