The Property

The Priory, a Grade II listed property, has been restored by the renowned Cotswold developer Stone Wood Homes. Within the Priory development are nine stunning homes overlooking The Chippings in the centre of the historic Cotswold town, Tetbury.

Built in the mid-18th century by Matthew Sloper, The Priory is a large classical manor house in the century of Tetbury.

Number 2 The Priory is fortunate to be quietly situated at the rear of the property with a private terrace that overlooks and leads directly into the formal gardens. The property is presented in a fresh and contemporary style, and all principal rooms have wonderfully proportioned rooms and impressive high ceilings.

There are three ways to access the property: through the remarkable hall, from the rear via the door off the car parking space, and through impressive double doors from the garden.

The property is offered in immaculate condition. A modern kitchen has a comprehensive range of cupboards with built-in appliances, including twin ovens, an induction hob with an extractor hood over, a dishwasher, a fridge/freezer. There is a spacious reception room, a lovely light room with a high ceiling and a deep bay window that views the terrace and gardens, with built-in shelving and a feature fireplace. A large utility space is also hidden off the hallway, housing the wash machine boiler and storage.

The main bedroom is of excellent proportions with impressive built-in wardrobes and storage and a striking en suite shower room. Bedroom two is an attractive room with a feature fireplace, a further built-in wardrobe, and a remarkable bathroom.

Outside

To the front of The Priory is a gravelled entrance to the main door. A drive to the rear has a parking space and a door solely for number two. There is also access via the garden, which is at the rear of the property.

A footpath sides the lane to give easy access to other parts of the town.

To the rear of the property is a secluded private terrace surrounded by a Yew Hedge. The gate to the main terrace leads down into the beautiful communal formal classically designed gardens, which retain all the beauty and charm of the Old Manor House, which has a large lawn and mature trees with many mature specimen trees.
