Situation

Spring Shaw sits at the head of Batson Creek, a beautiful and secluded spot within easy reach of Salcombe and everything it has to offer. The town retains much of the original charm and character of the thriving fishing village it once was. There are many restaurants, local pubs and boutique shops, all within walking distance of the house. More extensive shopping and amenities are available in Kingsbridge, which is 6.7 miles to the north.

The A38 Devon Expressway is about 16 miles to the north and provides dual carriageway access to the M5 motorway at Exeter.

There are regular rail services from Totnes to London Paddington and a growing number of flights from Exeter Airport. The area is well known for its temperate climate, golden beaches and unspoilt countryside.

The Salcombe estuary has numerous sandy beaches, coves and sheltered anchorages all of which make it an excellent base for sailing, water sports, boating and long walks along the coastline. Salcombe itself is a famous yachting centre and provides a perfect cruising base from which to explore France, The Channel Islands and the beautiful harbours and creeks of the West Country.
