West Overton

West Overton is a striking Edwardian semi detached house that we understand dates back to 1911.

Since purchasing West Overton, our clients have tastefully renovated and altered the house, including updating parts of the central heating and electrical systems, as well as replacing the windows with double glazed units.

There is now a wonderful bespoke kitchen breakfast room fitted by Searle and Taylor Kitchens, with granite worksurfaces, as well as a walk in larder. Another focal point is the magnificent drawing room, with its wooden floor, lofty and ornate ceiling and imposing fireplace.

On the first floor the two bathrooms have been beautifully upgraded and there is also an en suite shower room off bedroom 2.

Outbuildings

To the front of the house is a single garage and a separate double garage. To the rear of the house is an outside store/boiler room.

Gardens

West Overton is approached into a tarmac driveway that sweeps past the garages up to the front of the house, having a lawned area in between. The front boundaries are defined by rhododendrons providing an array of colour in the spring. Steps adjacent to the house lead into the rear garden where there is a paved terrace and lawns beyond. The boundaries are defined by high hedging providing a lot of privacy, in addition to a garden shed.
