THE PROPERTY

This apartment has been thoughtfully designed using natural materials and modern finishes to create a pristine living space.

Upon entering, you are welcomed by an entrance hall leading into a beautiful open-plan reception room suitable for living and dining purposes. The solid plank Douglas fir flooring is an excellent feature of the apartment, and it extends throughout the space. A spacious sofa suite enhances the expansive seating area.

A circular dining table is adjacent to the living space, positioned next to a fully fitted kitchen featuring floor-to-ceiling units. The sleek white cabinetry is complemented by modern finishes, including stonework surfaces that resemble concrete, a double oven, and an induction hob. The central island integrates the fir flooring into its surface.

THE PROPERTY (CONTINUED)

The apartment comprises two bedrooms and two bathrooms. The principal bedroom is generously sized and includes a dressing room with built-in wardrobes and an en suite bathroom featuring a large walk-in shower. The second bedroom has bespoke storage, and there is a family bathroom off the hallway, which completes the accommodation.

Access to the apartment is through a private gated entrance, which leads to two allocated underground parking spaces conveniently located next to each other. The development also includes well-established communal gardens with several seating areas. Two storage units are also available on the lower ground floor for extra items.
