Harworth

A new development opportunity at Little Houghton, Barnsley

Formerly part of Houghton Main Colliery, this site fronts directly onto Park Spring Road and benefits from planning permission inclusive of a new access road opening directly to the highway.

This well-established industrial and logistics location has excellent connections to both the M1 and A1(M). Situated within the Dearne Valley area, the site is strategically positioned 5 miles east of Barnsley town centre and 8 miles north of Junction 36 of the M1. The surrounding area is home to renowned companies, including ASOS, Symphony, Ultima, Countrywide Healthcare, Aldi, and Portwest.

The site holds outline planning permission (reference 2021/1282) for approximately 206,100 sq ft (19,147 sq m) of flexible employment space under Class E, B2, and B8, along with ancillary parking and landscaping. It can accommodate various layouts, including single or multi-unit schemes, as shown in the illustrative plans

Indicative site plan options and accommodation schedule

About Harworth

Harworth Group plc is one of the UK's leading land and property regeneration companies, owning and managing over 14,000 acres on around 100 sites in the North of England and the Midlands.

We transform former industrial sites and urban edge extensions into new homes and employment areas; creating sustainable places where people want to live and work.

Our flagship sites, such as Waverley in Rotherham and Logistics North in Bolton, are of national economic significance and are at the forefront of regeneration in the UK.

Our people are every bit as important as our land and are central to our success. We have a highly experienced team of property professionals including surveyors, planners, engineers and project managers, as well as finance, legal, communications and support staff. With our ambitious growth strategy to be a £1bn business by 2027, we now employ over 100 people across our four offices at Rotherham (Head Office), Leeds, Birmingham and Manchester, each supporting our regions across the North of England and the Midlands.
