Location

Cambridge Gate reflects the elegance of the past. It enjoys the quiet seclusion and security that comes with overlooking one of central London's largest parks, and yet the city of London is within 15 minutes drive, and the West End is less than a mile away. Private and secure, enjoying views over 487 acres of royal parkland and gardens, this handsome terrace also benefits from resident parking. Externally, the restored embellishments and entablatures reflect the French Second Empire style in which Cambridge Gate was built in 1875.
