CHAPTER III

CLASSIC ARCHITECTURE

Proud and grand Victorian architecture was designed by master craftspeople to last for generations. Taking inspiration and fine details from the original building, **No. 18 Porchester Gardens** has been reimagined for today.

TIMELESS STYLE

Originally built as palatial villas in the Victorian era, **No. 18 Porchester Gardens** is returning to its former elegance and splendor as 36 luxurious residences.

A VISION RESTORED

Albion Nord's bespoke interiors are shaped around the elegant architectural structure of the residences. Lofty high ceilings and large windows fill the spaces with light and reflect the spirit of inspired design.

A MODERN TWIST

No. 18 Porchester Gardens is filled with classical flourishes, elegant nods to the past and a harmonious blend of traditional and modern. A masterpiece in thoughtful restoration and a renewed purpose.

CLASSICAL FEATURES

Each residence benefits from large windows and an abundance of natural light, spacious layouts and natural material finishes throughout. Offering the best of both, **No. 18 Porchester Gardens** is a serene sanctuary in the heart of bustling London.

DESIGNED FOR ELEGANCE

Romantically minimal and beautifully practical, these interiors are curated for living: with functional signature flourishes joyfully in-sync with modern life.

CRAFTED BY ALBION NORD

Archival finishing touches are interior design studio Albion Nord's signature. Known for their bold and elevated spaces, each residence is an instantly subtle modern classic.

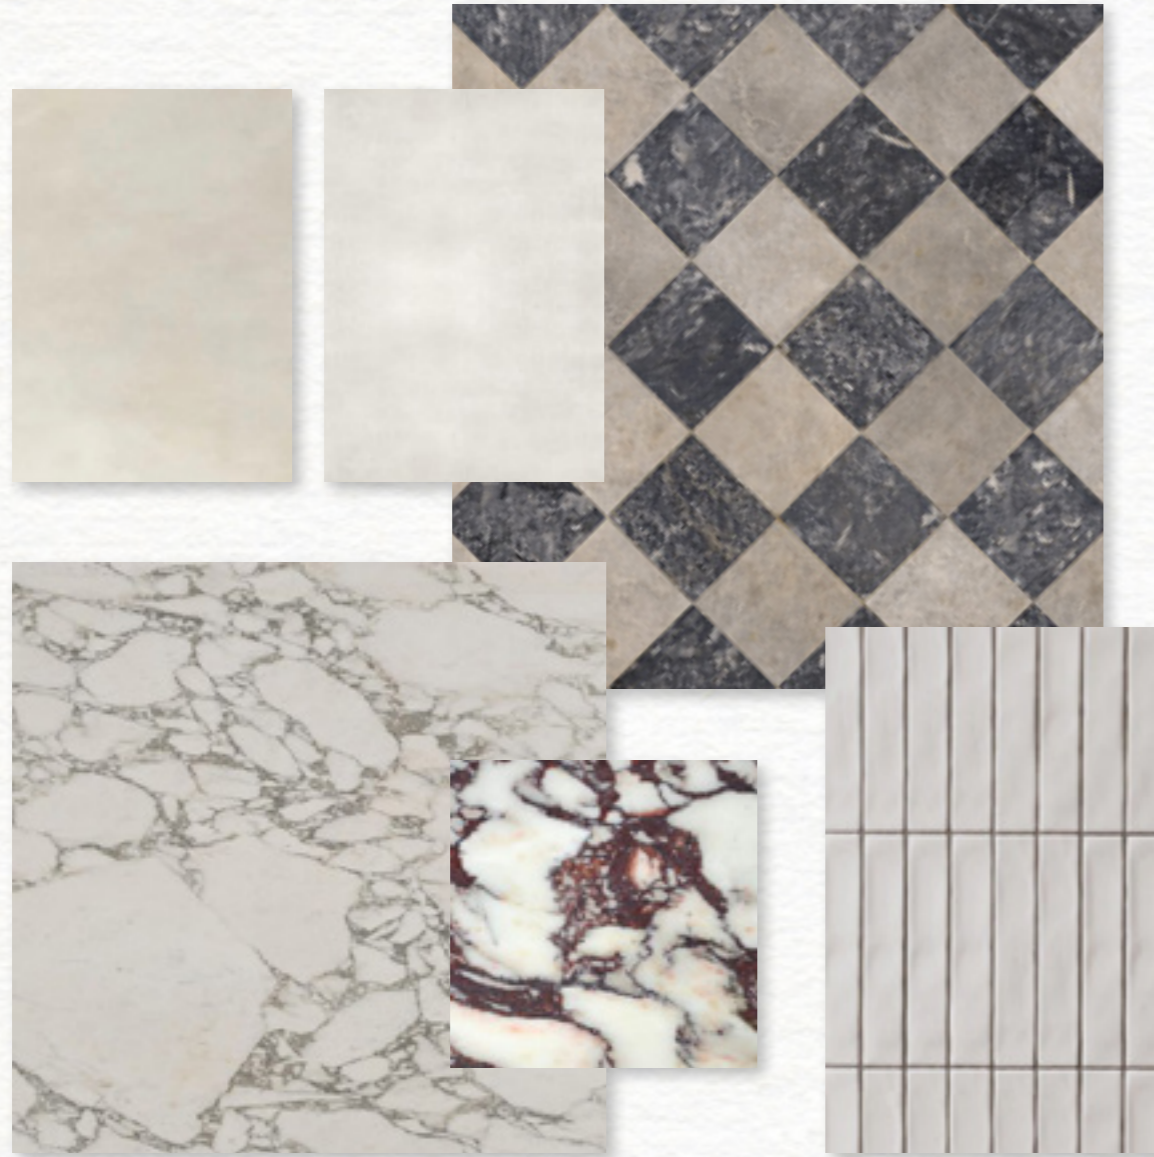

CRAFTED BY ALBION NORD

An interior design studio's dream: There are many things that make a space beautiful. Balance and proportion. A sense of sympathy with local history and architecture. But the most beautiful spaces are those with soul.

Founded in 2017, Albion Nord is an interior design studio based in London, creating spaces with a sense of place and curating the objects within.

“The interior architecture and scheme draws inspiration from the site itself, the Victorian era and the surrounding area of Bayswater. The Albion Nord design builds on the contemporary adaptation of a Grade II listed, prime London residence with a playful, modern colour palette paired with refined, classical detailing.”

OTTALIE STRIDE
CREATIVE DIRECTOR, ALBION NORD

A PLAY ON HERITAGE

An architect's dream: upgrading and enhancing a true heritage asset for future generations, with living spaces and natural materials that touch the earth more gently than those that came before.

MAP Architecture was founded in 2017 to create beautiful and functional buildings that make a positive social and environmental impact.

“Conservation was key to redeveloping No. 18 Porchester Gardens. We worked with the building’s beautiful period features and optimised them for uniquely comfortable living.”
