GROUND FLOOR

Spanning 2,892 sq. ft. across two floors, with the added benefit of a large integral garage, this home offers both space and versatility. A welcoming entrance hall opens to the main living areas, including a striking, extended kitchen/dining room. This superb space features sleek contemporary cabinetry, Quartz worktops, a Quooker boiling water tap, premium Neff appliances, and a large central island with breakfast bar — perfect for both everyday family life and entertaining. The triple-aspect sitting room is bright and spacious, complemented by a log-burning stove and flowing seamlessly into the conservatory, which opens directly onto the garden. A separate family room also enjoys direct garden access, offering further flexibility as a playroom, snug, or additional entertaining space. The ground floor also includes a separate study, ideal for home working, two generous storage cupboards, a practical utility room, a cloakroom/WC, and internal access to the large garage.

FIRST FLOOR AND OUTSIDE

Upstairs, the home continues to impress with five well-proportioned bedrooms and three beautifully appointed bathrooms. The luxurious principal suite is a standout feature, complete with air conditioning, garden views, a fully fitted dressing room, and an indulgent en suite bathroom with both bath and walk-in shower. The second bedroom benefits from extensive fitted wardrobes and its own en suite shower room, while the remaining three bedrooms are served by a spacious family bathroom.

The property is approached via a block-paved driveway with ample off-street parking, and a garage provides further parking or storage space. The west-facing rear garden is a true highlight — private and thoughtfully landscaped over two levels. A generous patio area offers the perfect setting for outdoor dining and entertaining, including space for a hot tub. Steps lead down to a secluded lower garden surrounded by mature trees, creating a peaceful and serene atmosphere. Discreetly positioned in one corner is a newly constructed garden office/gym, complete with power, lighting, air conditioning, and double-glazed windows — ideal as a home workspace or personal fitness studio.
