The property

The Kimbels, 5 Hewitt Road, is a beautifully appointed detached home built by Spitfire Bespoke Homes in 2018. It forms part of a small exclusive development of quality houses on a private road on the edge of Barford village. The accommodation is presented to an exceptionally high standard including a fully installed air conditioning system and was extended by the current owners in 2020.

The front door opens into the entrance hallway, which has engineered oak flooring, oak doors and a guest cloakroom. At the front of the property are two smaller reception rooms, one of which could be used as an office and one of which could be a snug or playroom. The open-plan kitchen/dining room has Porcelanosa tiled flooring, air conditioning, and bi-fold doors that open into the garden. The contemporary kitchen features granite worktops, a fitted dining table and breakfast bar, glass-lit wall cupboards, waste disposal and integrated appliances, including an oven, combi-oven, dishwasher, induction hob and integrated fridge/freezer.

The utility is off the kitchen with a basin and space for a washing machine. A further storage area/rear lobby has several wall and base units, and a door opening to the garden.

The drawing room has a front aspect air conditioning, and a remote-controlled gas log burner. In 2020, the reception space was extended, creating a stunning vaulted family room with exposed beams, underfloor heating, air conditioning and bifold doors opening to the garden and a spiral staircase to a first-floor hobby room. The family room can be accessed from the kitchen/utility room or the hallway.

Upstairs, the principal bedroom has a front aspect, fitted wardrobes and an en suite shower room. Bedroom four, opposite the principal bedroom, is currently fitted out as a beautiful dressing room. Bedroom two has a set of

fitted wardrobes, a front aspect and en suite shower room. A further double bedroom uses the family bathroom with a separate walk-in shower. The entire upstairs is served by air conditioning

There is parking on the front driveway for four cars. The double garage has electric up-and-over doors and a charging point inside. Access is from the garage straight into the house. The garden and front of the property are all floodlit on sensors.

The rear garden has been professionally landscaped and has a large patio area, which is ideal for entertaining. A useful garden store is located to the side of the property.
