The property

Situated in a prime position in the heart of Warwick, surrounded by the town's rich history and vibrant community, 21 High Street is a beautiful townhouse located a stone's throw from Warwick Castle and the market square. Dating back to 1781, the property provides accommodation over three floors plus a cellar. An array of original features, including high ceilings, sash windows, original fireplaces, ornate coving and deep skirting, provide a wealth of character. The property has a handsome frontage, and the original front door, with a stained-glass window above, opens into an entrance hallway with a useful storage cupboard and a staircase rising to the first floor. From the hallway, there is access to the cellar, which has two chambers.

The open-plan dining/sitting room is an elegant room for entertaining. It has wooden flooring and an inglenook fireplace with an inset log burner. Double doors open into the drawing room, which has a rear aspect, sash windows, wooden flooring, and a feature fireplace.

The kitchen has granite worktops, tiled flooring, a Belfast sink and wooden wall and base units. Integrated appliances include a Bosch microwave, two oven AGA and a Miele dishwasher. There is space for a large fridge/freezer and space for a washing machine. Beyond the kitchen is a door providing access to the rear courtyard garden and a built-in larder cupboard.

On the first floor, an impressive 25ft principal bedroom spans the width of the property and has a rear aspect. There is a further double bedroom, and both rooms share a generous family shower room.

On the second floor are two further double bedrooms with distinctive views of Warwick Castle and individual charm. A family bathroom is also on this floor, ensuring the space works well for family or guests.

The family bathroom has a claw-foot cast iron bath with a shower attachment, an exposed wooden floor and Azur brassware.
