The Property

Commissioned by the current owner, Crofton was built in 2002 to an exceptional standard. The property is arranged over three floors and offers light and spacious accommodation extending to almost 6000 square feet with high ceilings, handmade plaster cornices and air conditioning throughout. The walnut double fronted door opens into the outstanding reception hall with a sweeping American black walnut cantilevered staircase to the ground floor. The reception hall provides access to a large family room, a filing room, a study, a shower room with w.c, the triple garage, wine cellar, plant room and a luxury six person lift.

On the ground floor, the reception rooms are filled with an abundance of natural light due to the large windows, all of which are double glazed. The drawing room is magnificent with a beautiful marble fireplace and double doors leading to the garden/cinema room. On this floor there is a dining room, family room, and elegant cloakroom. The modern kitchen/breakfast room is a fabulous space for day to day living. There are a range of fitted appliances by Miele, wall and base units, kitchen island and black granite worktops. Accessed from the kitchen is a separate utility room with access to the garden. There is a wonderful South-West facing terrace with fabulous views, the perfect place in which to relax. The bedroom wing comprises a stunning principal bedroom with a dressing room, seating area with French doors leading to the garden and a wonderful en suite bathroom. There are three further double bedrooms and three well-appointed bathrooms. The first floor was a later addition to the property and houses two double bedrooms both with en suite bathrooms, eaves storage and a useful kitchenette.

Gardens and Grounds

The property is accessed via a private driveway with electric gates, parking for several vehicles, a large turning area and a triple garage. The house sits within the centre of the plot and the gardens have been beautifully landscaped and enjoy far-reaching views from the various seating areas. The gardens are completely secluded with mature hedging, planting borders and attractive wrought iron fencing surrounding the property.
