## The Barn

This unique L shaped converted barn, believed to date back to the 1950's with later additions, offers substantial family accommodation with the benefit of an attached annexe as well as further outbuildings. The property is available as a whole or in two lots.

The main barn has numerous large windows taking advantage of the stunning views over the property's own land and countryside beyond. Two of the bedrooms have en suite facilities and the fabulous principal bedroom also benefits from two dressing areas and stunning views over the property's land and countryside beyond.

The sitting room has a high ceiling with exposed beams and a wood burner. The fantastic open plan kitchen/dining/living room is a particular feature and creates a perfect entertaining space with sliding doors opening onto the sun terrace to the rear. Stairs lead up to an attractive mezzanine area, currently used as a study/home office, overlooking the room below. At the opposite end to the kitchen there is a sitting/family area with a wood burner in the corner. This leads on to the dining area and well-appointed kitchen with fitted wall and base units, central island with breakfast bar and window overlooking the side courtyard. There is also a useful, large walk-in larder and a door leading through to the utility/boot room, courtyard and plant room.

## The Annexe

Accessed from the courtyard to the rear of The Barn there is an attached unconverted barn which provides three open parking bays as well as an annexe. On the ground floor there are two reception rooms currently being used as an art room and a music room. On the first floor there are two bedrooms, a bathroom and a double aspect sitting room with fine views over the surrounding countryside.

## Home Office and Gym

Adjacent to the main barn there is a detached double aspect building with bi-fold doors opening up to a terrace at the front. The internal accommodation currently provides a home office/studio, gym and a shower room with w.c.

## The Land

The property is approached via a gated entrance leading to parking areas and triple open bay garage/unconverted barn. To the rear of the main barn there is a large sun terrace, with artificial grass, enjoying wonderful views over the property's own land and surrounding countryside. There is also an area of hard standing with two detached stable buildings providing four stables/feed room. There is a fenced 60m x 20m manege (sand and rubber granule surface) and a gate leading to the land which is made up of various fields/paddocks, a small amount of woodland and a pond. There are two field shelters providing five further stables. There is also a substantial allotment area with a large greenhouse. In all about 8.51 acres.

## Planning Permission

Planning Permission exists to convert the unconverted barn into a building which mirrors the main barn in appearance. This permission includes the option to install a floor above the car port area to create a large cinema/games room.

Planning Permission also exists for the main barn to create a glass walled bathroom/dressing area underneath the principal bedroom (in the space created by the cantilever) as well as to create an underground gym below the new bathroom / dressing area.
