OPPORTUNITIES

- Dollar Incomes
- High Yields
- Growth Opportunities
- Low competition (nascent markets)
- Low tax rates

CHALLENGES

- Repatriation of dividends
- Exchange control
- Market volatility
- Scale
- “Africa risk”

HOW TO INVEST

- Always use reputable consultants and good market data
- Choose good local partners to avoid “school fees”
- Choose less risky markets with a good risk/reward balance
- Look for “open” economies that welcome foreign investors
- Dollar incomes may not really be dollar incomes.....

Choosing a property managed by Knight Frank is a good way to mitigate risk!
