

Knight Frank is a highly successful and driven multidisciplinary property consultancy with an outstanding reputation worldwide.

For our RICS compliant Valuation Department, we are now looking to take on a

## Junior Valuer

We do expect a good knowledge of the valuation business and a capacity to meet deadlines. You will have to carry out research and be good at reporting. Adaptability, high education and workability will be key for a successful integration. We need a dedicated, clever, loyal and energetic individual with a good commercial spirit that will help the further development of our activity, and maintain the proficient relationship built by Knight Frank with major market players.

You have a minimum of Bachelor's degree or equivalent, you are trilingual English – Dutch – French.

We offer a high level commercial job, a competitive salary, plus an outstanding chance to accelerate your career with one of the top global property consultants.
