

Summer Undergraduate Programme

Knight Frank's undergraduate programme has been established to support the philosophy of 'growing our own' future property professionals. Our aim is to identify the best and brightest students undertaking property degrees and give them an opportunity to consolidate their learning at university with hands-on work experience. Our undergraduate programme has run very successfully for several years and resulted in full time employment at Knight Frank for many outstanding undergraduates who participate in the scheme.

If you are a full-time, second year property student at Lincoln University and have **passion, drive** and **commitment**, then we want to hear from you.

The programme will run in two five week blocks:

- **November 14, 2016 to December 16, 2016**
- **January 16, 2017 to February 17, 2017**

As an undergraduate with Knight Frank, your activities will be varied, with structured and supervised programmes available in Valuation, Asset Management, Commercial Agency and Research sectors. There will be a fortnightly remuneration of \$1,500 (subject to tax). Hours will be from 8.30 am to 5.00 pm and appointment will be by way of fixed-term employment contract. Positions are available across all three of our offices in the Auckland CBD, South Auckland and Christchurch.

Applicants are required to forward their application and CV by October 14, 2016. Interviews will be held during October 24-25, 2016 and appointments announced by October 28, 2016. Contact hr@nz.knightfrank.com.

Take a look at [Knight Frank New Zealand's LinkedIn page](#) and meet some of our people.
