Flexible Office Solutions

Serviced offices or co-working centres allow businesses of any size to establish their presence in the capital. At no direct cost to the tenant, Knight Frank will help manage the entire search process and identify your flexible space needs, finding your ideal office space. We cover the whole of the UK, working with over 400 business centres. Our impartial and professional approach will ensure that our clients receive the best terms for their perfect workspace.

Why Knight Frank?

We make it our business to get to know your business. At Knight Frank we offer a refreshingly different approach by advising tenants across the UK market, delivering real estate cost savings through carefully formulated property strategies and robust, impartial negotiation.

We also provide regular sector updates on the latest news and trends happening in the market: this way, you will also be able to keep track of where your competitors are or what they are doing with their office space.
