

INDUSTRIAL & LOGISTICS SAUDI ARABIA

Capability Statement & Track Record

Foreword

At Knight Frank, our understanding of the Industrial & Logistics sector goes beyond insight—we play an active role in shaping its future. As supply chains evolve and operational demands increase, our focus is clear: to identify opportunities, reduce risk, and support sustainable, long-term success.

With over 16 years of experience across MENA and offices in Jeddah and Riyadh, we bring unrivalled market insight and global connectivity to every mandate. Whether it's identifying prime development land, negotiating lease terms, or advising on large-scale acquisitions, our team delivers practical, results-driven solutions aligned with our clients' long-term goals.

From acquisition strategy and site selection to development consultancy and market intelligence, our comprehensive service offering is designed to enhance performance, support informed decision-making, and ensure our clients remain ahead in one of the region's most dynamic sectors.

Logistics Transactions

LAST MILE FULFILLMENT CENTRE SEARCH, RIYADH, KSA

Transaction Value: Confidential | Year: 2025

Working on behalf of a globally retained client, Knight Frank are currently overseeing the acquisition of a number of last-mile fulfilment centres in key districts of Riyadh. The transactions include searching on behalf of the occupier and then overseeing the transaction from conception to completion.

Built Up Area: 2,500 sq. m | Land Area: 4,500 sq. m

Notes:

- Market comparables and detailed assessment of other last-mile fulfilment centre locations in Riyadh
- Tailored approach targeting suitable properties in key districts, aligning with the occupier's specific needs
- Proactively searching for potential options on behalf of the globally retained client
- Comprehensive transaction management, overseeing the process from initial search, negotiations, due diligence, purchase agreement, to final completion, ensuring smooth coordination throughout

INDUSTRIAL WAREHOUSE SALE, DAMMAM, KSA

Transaction Value: SAR 30,000,000 | Year: On-going

Knight Frank is currently overseeing the sale of a substantial industrial facility in the Eastern Province. The transaction involves the sale of the facility on behalf of a European global occupier. This opportunity offers significant asset management potential, as the land can be converted to accommodate a Data Centre given the available power (6,500 KVA).

Built Up Area: 28,000 sq. m | Land Area: 55,000 sq. m

Notes:

- Developed and executed a tailored disposal strategy, supported by bespoke marketing collateral
- In-depth sales and benchmarking analysis to inform strategic decision-making
- Identified and proactively engaged with potential buyers on behalf of the seller
- Comprehensive deal management, including site visits, negotiations, due diligence, legal document review, and coordination with authorities throughout the transfer process

HYPERSCALE WAREHOUSE SEARCH, JEDDAH, KSA

Transaction Value: Confidential | Year: 2025

Working on behalf of an Asian apparel business, Knight Frank conducted an extensive market search before presenting a curated shortlist of suitable options to the occupier. Due to the limited availability of existing stock that meets the size requirement, build-to-suit solutions are now being actively considered.

Built Up Area: 100,000 sq. m | Land Area: 300,000 sq. m

Note:

- Acquisition advice based on in-depth market analysis for high-quality logistics facilities
- Presentation of a curated shortlist of viable options aligned with the client's operational and size requirements
- Engaged with local families and landowners to assess land suitability and explore potential build-to-suit agreement opportunities
- End-to-end transaction support, from initial market engagement through to negotiations, due diligence, and delivery planning

BUILD TO SUIT WAREHOUSE, EASTERN PROVINCE, KSA

Transaction Value: SAR 1.2bn | Year: On-going

Assisting a global logistics operator with a build to suit in the Eastern Province. Knight Frank are identifying suitable landowners and investors who would be willing to engage and construct an asset for them, which they would then occupy on a long-term basis.

Built Up Area: 90,000 sq. m | Land Area: 1,300,000 sq. m

Notes:

- Advisory on build-to-suit strategy informed by detailed market analysis and benchmarking against comparable logistics developments
- Identification of suitable master authorities who are aligned with the occupier's operational needs and vision
- Financial analysis on lease terms, development timelines and facility specifications
- Full transaction management from site identification through to deal structuring, contract negotiation, and delivery oversight
