QUALITY, ENVIRONMENT, HEALTH AND SAFETY POLICY

Santos Knight Frank commits to be the most sought after Real Estate Service Provider by ensuring business partners' peace of mind and enhancing the value of their resources, assets and properties by;

- Delivering and implementing best practices in quality, environmental sustainability, and energy efficiency that may be applicable in all operations;
- Uphold the safety, well-being, and health of our employees, customers, and partners;
- Continuously strive for improvement and innovative practices and solutions that stir awareness and action from all stakeholders for Quality, Environment, Health and Safety management;
- Ensure compliance to all statutory, regulatory, and other requirements applicable to environmental, energy, health, and safety management practices;
- Adhere with international and recognized standards for Quality, Environment, Health and Safety to which Santos Knight Frank may adopt.
